

# 2022 MTB Interclub Series

## Four clubs, four different events on four different trails.

What better way to prepare for the AusCycling NSW XCO State Championships.

Each round is independent so riders can enter as many or as few as they like, or all four. The series showcases trails in the Shoalhaven, Southern Highlands, Sutherland and Helensburgh and culminates at Coondoo (Shoalhaven) for the NSW State Championships.

See individual club sites and socials for more details.
