

Congratulations to the 2014 XC winners.

We still have some medals from 2014 that haven't been collected. We will have them at the 2015 events so if you think one belongs to you come and see us

2014 was a busy year for the club starting with the Andrew Fellows Memorial twilight enduro in March, a six round cross country series in the middle and finishing with the Decade of Dirt in November. A big thanks to everyone that helped the event crew during the year. We couldn't have done it without you! This year will be even bigger with a three round gravity enduro series to go along with the six round cross country series. We're still tweaking the calendar for this year but expect the XC series to kick off in April. As advertised elsewhere in this issue we're starting the year off with the Scum Summer Super Social Series. Lastly thanks to everyone that participated in the SCUMS rider survey during December. The events crew will be implementing some of the suggestions arising from the survey during this years events.

Remember if you have any thoughts or suggestions contact one of the event crew or just come up and say hi at the next race. Brad

If you want to look awesome this year then you might want to deck yourself out in our new club Kit! Made by champ-sys they're comfortable and look great too.

The SCUM Super Summer Social Series

It's summer, it's hot and it's light till late - let's ride mountain bikes!
Friday nights - 6pm to 7pm - throughout Jan & Feb 2015
All welcome - No Rego - No Timing - No Fees - Just turn up
Check Out <http://scummtb.proboards.com/board/6/social-rides> for location details

The trail crew did a fantastic job of fixing and improving both Coondo and Butterfly this year. Personally I reckon riding the start of Butterfly is now the most fun you can have on a mtb bike! The work done on Coondo prior to the Single-track mind series round was also excellent. From what I hear Super bowl is their next project. If anyone wants to get involved with the trail crew send us an email at

president@scum.asn.au.

In the next issue we'll have the wrap up from the super summer social series, a detailed look at the 2015 calendar and more news from the trail and event crew.

If you have anything you think could be included in our new monthly newsletter just send an email to bmstein@bigpond.com
