

CoondooFest: Ziggy Zaggy on show during the Single Track Mind Series

What's in this Issue?

- Pink Wheel event report.
- SCUM Members shine at Single Track Mind Series.
- Shifting Sands with the Trail Crew.
- SCUM Shop.
- GE Round Three
- The Event Calendar.

Coondoo was at it's finest

during October, getting a bit of a work out with two events only a week apart. Thanks to the efforts of both the SCUM Trail and Event crews (and some dry weather for a change) both events were awesome.

SCUM's Pink Wheel Charity Fund Raiser was first to kick off the MTB CoondooFest during October. The Pink Wheel event was held on Sunday 18th October & was round 5 of the Club's XC series, raising funds for the Cancer Council's Pink Ribbon appeal. See inside for more details.

Chocolate Foot's Single Track Mind Series followed on Sunday 25th Oct which saw close to 220 riders descend on Coondoo for the last round of the series. With close to perfect riding conditions each and everyone of the riders from all over NSW walked away with huge smiles; more than a few SCUM members walked away with podium finishes plus some cool prizes!

So far in November we've seen the final round of SCUM's Gravity Enduro Series for 2015, although there was some timing / computer glitches everyone that attended had a blast. November also brings us the final round of the XC series planned for Sunday 29th November at Butterfly.

Hope to see you on the trails soon.

Brad

SCUM's Next Event: **Cross Country Round 6 (Butterfly)** Sunday 29th November

Rego - from 8:00am; Ride - from 9:15am (Mud Flickers 8:45am)

MTBA Members - Seniors: \$10, Juniors (u19): \$5

Non MTBA members - add a Day License: \$20

BBQ Supplied, BYO food - soft drinks for sale

NB: All SCUM Events are weather & track condition dependent; see Facebook and the SCUM Website for updates.

SCUM's Pink Wheel Fundraiser

on Sunday morning October 18 was a great success. There was pink-a-plenty with clothing, skin and bikes all adorned with zinc, ribbons & other pink items. Coondoo was in top form after some light rain the night before that firmed up the course; it was a perfect day for riding.

India Seccombe & dad (Scott) both in the pink zone

49 riders participated in the event with many cheering spectators spurring riders on as they took on the approx. 6.5 km circuit. Whilst there was a more relaxed feel throughout the day it didn't stop the competition between riders with many tight lap times being posted by competitors.

In consistent style **Nicole Fellows** scored the top spot on the podium for the Expert Females. **Kathryn Hopkins** was first over the line in the Master Female category and **Katie Lahodny & Joanne Warren** respectively bringing it home in the Super-Master Female category with only four seconds separating them. There was also some very close racing in the men's categories with **Liam Dooley** ahead of **Nathan Crump** by only three seconds; **Brad Stein** ahead of **Nick Smee** by only 5 seconds and in the Under 13 Mixed category the top three had only 10 seconds separating them with **Liam Gomez, Thomas Maxted** and **Harry Evans** taking the podium spots. The mood on the day was enhanced by some giveaway prizes generously donated by **DIY MTB**, and **Tippo's Cycles**. For full results head to the SCUM website.

As with previous years, SCUM will be donating all proceeds & funds raised on the day & via the web going to the Cancer Council's Pink Ribbon Day appeal. To date over \$900 has been raised – well done folk; all in all a great success both on and off the trail.

You can still Donate throughout November at:
<http://nsw.cancercouncilfundraising.org.au/SouthCoastUnitedMountainbikersInc>

Choccy Foot's Single Track Mind Series

was clearly dominated by SCUM members as these pics prove (OK there might have been some other riders around) but the number of SCUM riders that scored podium finishes at the third & final round of the 2015 series was too many to count. A fantastic effort by all.

More than 220 riders flocked to Coondoo for what was an excellent day of riding; the weather was spot on and in true testament to the great work of the SCUM Trail Crew, the track was 'burn your feet on the bitumen in the beach car park' HOT; Coondoo was on fire and everyone was grinning.

A huge thanks from the Choccy Foot crew summed up the day "...thanks to SCUM for your role as hosting club for last Sunday's Singletrack Mind Series event. Thank you for making it happen in such great style and for your help with the course, track marking, marshaling, banners, water trailer, and just generally being AWESOME! We really appreciate it and hope you're happy to have us back again next year!

We sure will Fi and Joe ... Choccy Foot events are a blast. For full results and more photo's head to the Choccy Foot website www.chocolatefoot.com.au

The SCUM TRAIL CREW Rocks

Many hours of shovel, pick and rake, barrow, drill and saw went into repairing the trails in readiness for the various events held in October and early November. What a fantastic effort from the entire crew. Join the crew this Sunday 22nd Nov at Butterfly from 8:00am.

SCUM Shop

GE Round 3

We might still be waiting on the final results but what a blast of deliciousness the final GE round at Superbowl was ... here's some great Pictures by @ptaar (thanks Pete)

29/11/15 (Sun)	XC Round 6 + Mud Flickers*	Butterfly	Rego: From 8:00am Ride: 9:15 (Mud Flickers 8:45am)

* 'Mud Flickers' is a ride targeted at kids under 11 years. The course is short & flat & usually less than 200m long. It's a whole lot of fun for your 'want to be' World Champion. Mud Flicker events usually run between 10-15 minutes prior to the main event, so bring the kids along.

Please note:

Dates are subject to change (some have already #) – All events are dependent on weather / track condition; therefore details can change (sometimes at short notice).

Please check the SCUM Website, FORUM & Facebook for updates.
